🎬 SCAD Production Experience

Producer | *Better Judgment* (Senior Thesis Film)

Savannah College of Art and Design | Sept 2024 – May 2025

- Oversaw full production lifecycle: budgeting, scheduling, casting, and on-set management.
- Collaborated closely with department heads to align creative vision and logistical needs.
- Led fundraising efforts and financial reporting, ensuring the project stayed within budget.

Producer | *Red Button* (Narrative Short)

Savannah College of Art and Design | Sept 2024 – May 2025

- Coordinated a cross-functional team and managed a detailed production calendar.
- Secured locations, handled permitting, and managed casting and crew communications.
- Supported post-production coordination with editors and sound designers.

Writer & Director | *The Proposal* (YETI Spec Commercial)

Savannah College of Art and Design | October 2024

- Developed concept, script, storyboards, and led a 10+ person crew through full production and post-production.
- Executed a visually compelling one-minute brand piece.

Producer | *Quick Treat* (DoorDash Spec Commercial)

Savannah College of Art and Design | October 2024

- Managed all aspects of pre-production and on-set logistics for a one-minute commercial.
- Negotiated talent contracts, secured locations, and ensured legal and safety compliance.
- Collaborated with post-production team to deliver a polished, brand-consistent final cut.

Production Experience

Production Assistant Intern | *Playing Through* (Feature Film)

June 2021

- Provided on-set production support including equipment transport, prop management, and set operations.
- Assisted with cast and crew logistics to streamline daily shoot schedules.

Freelance Video Editor

Summer 2023 and 2024

- Produced marketing videos and digital content for DWY Landscape Architects and Seaward Development.
- Captured project footage and edited promotional before-and-after transformations.
